The **Food for Kidz 2012** event is an opportunity for anyone to package a specially designed, fully-nutritious meal that will be distributed to hungry children and their families where crisis has struck and there is an immediate need. Community Christian School will be packaging food at the Willmar Public Middle School on February 18th; we are asking for volunteers. Please sign up or call the office at 235-0592. This will be an awesome time to unite as a community and worship God as we bless the meals we send to Somalia. Together we can make a difference in the lives of millions of children in Somalia.

Food for Kidz packages highly nutritious, life-saving meals for starving children and malnourished children and their families in developing countries and the United States. The goal of this organization is for its meals to provide a stable nutritional base from which recipient families can move their families from starvation to self-sufficiency. Food for Kidz accomplishes this by mobilizing the energy and caring of American children, teens, and adults on behalf of hungry children around the world. We are asking for help with fulfilling this need. If you would like to volunteer we are filling up nutritious bags of food for Somali on Saturday, February 18th, at the Willmar Middle School. If you would like to make a tax deductible donation please send a check made out to Faith@Work, P.O. Box 753, MN 56201. Food for Kidz seeks to end the literal hunger of children receiving the meals, but also satisfies a hunger among prosperous Americans – a hunger for meaning and contribution.
